<https://www.loom.com/share/13f4687c0a304864ac7883dd5e0d78dd>

Task: When people go on an adventure they make a 'pack list'. This list tells them everything they need to take on their adventure to help them and to keep them safe. If you were to go on a Dino- Spotting adventure what would you pack and why?

Reception: Make me a list of the items you would take.

Year 1: Make me a list of the items you would take and explain why you have chosen those items using the word because.

*For example. I would take snacks because I might get hungry.*

## Who is our Author? Reading task 2

This world book day we are looking at a person named Jonny Duddle.

Can you remember what an Author and an Illustrator do?

An author writes stories and an illustrator draws the pictures.

Jonny Duddle does both of these jobs when he creates a book.

Task: Using Google and Jonny Duddle's webpage can you create a fact file about him. I would like to know his age, where he was born, what characters he likes to write about and 2 other facts.

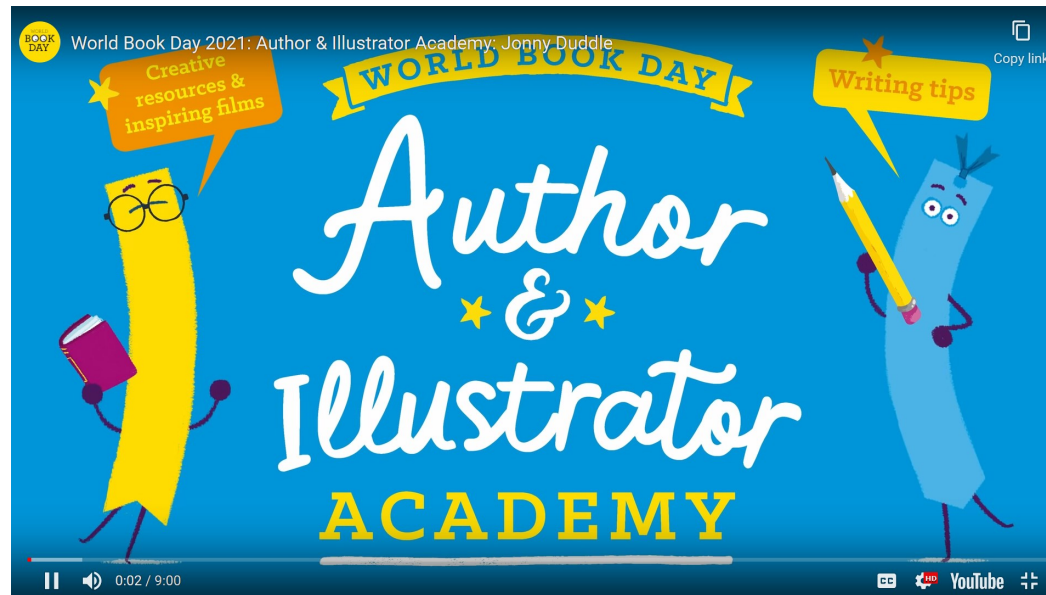

<https://www.jonny-duddle.com/about-jonny/>

## Illustrators Workshop Reading Task 3.

I would like you to watch Jonny Duddle's illustrators workshop

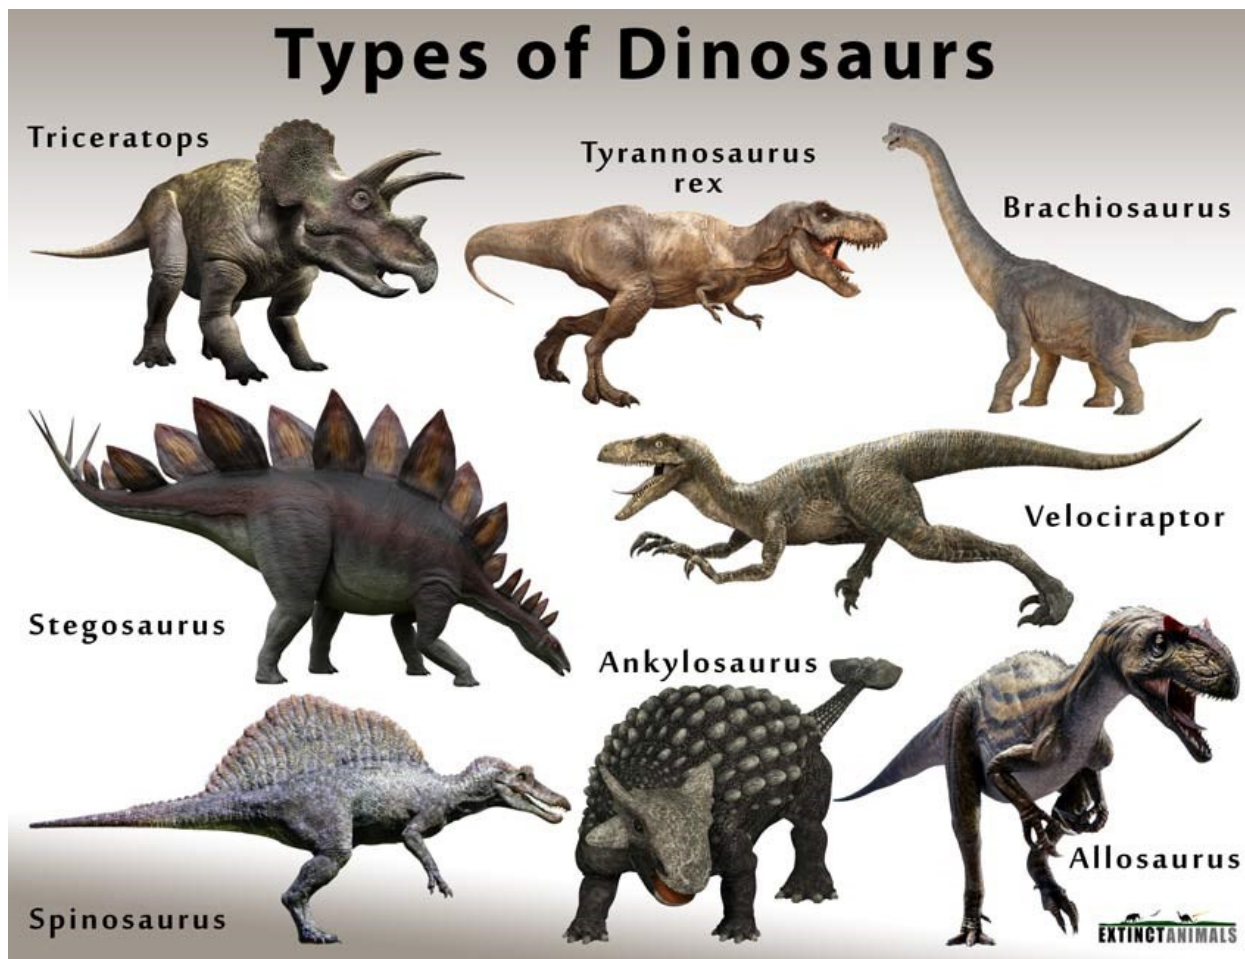

<https://youtu.be/r2nktDO3Ujk>

We don't need fancy things to draw, we only need a pencil, and some paper. Jonny talks about how we can draw what is around us or things from our imagination. Sometimes our drawings don't always go to plan and that is ok. What is your favourite thing to draw?

# Make your own Dino Spot book. Reading Task 4

I would like you to make your own Dino Spot book. You will need some paper, a pencil and some colours (If you would like) Have a think about which Dinosaurs you would like to put into your book...

Please continue onto the next page for more instructions

- 2) Make a front cover with the title Dino-Spot.

# Make your own Dino Spot book. Reading Task 4

Watch the videos to help you draw the dinosaurs of your choosing

Stegosaurus <https://www.youtube.com/watch?v=NGTZ5zcrR-c>

Brontosaurus <https://www.youtube.com/watch?v=EcyVlP37LOo>

Triceratops <https://www.youtube.com/watch?v=7ZKWfmLo8LO>

T-Rex <https://www.youtube.com/watch?v=qNVqe5cgKjs>

## Just for fun-

Dinosaurs are fascinating creatures, they lived millions of years ago and are now extinct. We still find evidence of them in the ground today. When living things are buried deep under ground for a long time they turn into fossils, this means they leave a pattern/ impression in the rock. The pictures to the right are just two examples.

Why not create your own dinosaur fossil using pasta, straws or cotton buds.

## Just for fun -

Why not make your own dinosaur out of paper plates, paper and tubes.

<https://thejoysofboys.com/easy-dinosaur-craft-for-kids/>

You could make some Dinosaur Biscuits.

Click on the link below for the recipe.

<https://realfood.tesco.com/recipes/dinosaur-biscuits.html>

If you do not have a dinosaur to press into your biscuits you could also make your own fossils.

If you have a Netflix account, you could watch the adventures of Giganotosaurus on Netflix. These adventures are written by our author Jonny Duddle

[www.netflix.com](http://www.netflix.com)
