

# Phase 4: Tricky Word Spotter Story

## Rob the Robot at the Farm

Rob spent a week on the farm.

When he went into the barn,  
there were some cows.

There were some pigs in the barn too.

One little pig had mud on its back.

“They like to have mud baths!”  
he said. “So do I!”

Near the back of the barn,  
there were some eggs.  
“What is in the eggs?” he said.

“Come out!” said Rob, as the eggs went crack!

“I like the little chicks,” he said.

There were some chicks near the pond too.

“They have fluff,” said Rob.

Rob had lots of fun on the farm.

“My week at the farm was good,” he said. “When can I come back again?”
