Financial Benchmarking

The School Information (England) Regulations 2020 take effect from 1 January 2021 and require maintained schools to publish on their website the number of school employees (if any) whose gross annual salary is £100,000 or more in £10,000 bands. Schools must also publish a link to the specific page on the Schools Financial Benchmarking dedicated to their school. We have no school employees whose gross annual salary is £100,000 or more.
